

Wooplaw Community Woodlands

Wooplaw has flourished as a community organisation for 20 yrs. It offers a lot but needs your active interest and support .

Take part in any way you want and share in the survival of your woodland heritage.

Wooplaw needs PEOPLE

Don't take your local woodland for granted. YOU CAN HELP KEEP IT ALIVE

If you've enjoyed Wooplaw and would like it to keep flourishing,

WE NEED YOUR HELP NOW.

Most urgently we need:

- ◊ a Treasurer
- ◊ a Coordinator of voluntary activities.

Also, vital to maintaining our charitable status are individuals who are willing to stand as directors.

In order to sustain this wonderful community resource we still need individuals who will take on some of these other interesting jobs:

Event organising	Newsletters
Website - updating	Distribution
Sharing Woodland Skills	Articles
Membership Secretary	Publicity
Log Cabin Bookings	Media
	Posters
Musicians, artists, crafts people to share their skills	
Wildlife recorder/Nature watch	

None of these activities is particularly time consuming or demanding, can be a lot of fun and keep you involved.

SO, IF YOU THINK YOU MIGHT LIKE TO HELP OR WOULD LIKE FURTHER DETAILS, JUST CONTACT: info@wooplaw.org.uk or phone Bob on 01896 756112
